

Dear Archilover, congratulations! We are thrilled to inform you that your project **Farmhouse in Girona** has been selected as one of the Best on Archilovers 2017 as it upholds our high standards for aesthetics, functionality and creativity!

It is **one of the most 'loved' out of the 50,000 projects published last year**. A marker has already been added to your project sheet to indicate that you've been selected as one of the best on Archilovers! All the winning projects have been included in a [special Section](#) on Archilovers and will be highlighted in an editorial newsletter, sent to **450,000 users**.

Go share the love - and this great news - by downloading the Best Project Toolkit [here](#) and post your project under the hashtag **#Bestarchilovers2017!**

Wishing you all the best,

**The Archilovers Editorial Team**

The charming Mediaeval village of Pals is situated in the heart of Baix Empordà county in Girona. In this enchanting setting, located just a few kilometres from the Costa Brava, stands an ancient farmhouse dating back to 1850 which has been completely refurbished. The concept spans a surface area of approximately 800 square metres distributed over two floors, providing the perfect balance between past and present, and designed according to environmental sustainability and innovation...
